Although

NIKE ID business in the country did not achieve the desired effect of NIKE and popularity, probably because of the popularity and exposure rate is not enough, or the price is not but this does not hinder the amiable and easy of approach, NIKE ID has become the best way to ultimate fans personal version of shoes. This year's new ZOOM KOBE V and IV, are Nike ID in the domestic business of domestic support, believe that if you pay attention to ZOOM KOBE V before the exposure of the two versions of the word, you will find a special ZOOM KOBE V is not only the color, but also is rich and delicate material collocation selection. The HARAJUKU ID exposure these days is even more so. HARAJUKU (Japanese Harajuku) is one of Japan's popular culture center, is one of the world's most important source of SNEAKER, the double color materials and ID as the SNEAKER culture as the glitter of harajuku!
